

THE 35th CHEVIOTS CHALLENGE – RULES

Saturday 3rd September 2016

Our 35th Cheviots Challenge will take place on Saturday 3rd September 2016 and will start and finish at Alwinton. This event is designed as a personal challenge and is not a competition. It is a demanding event requiring personal fitness, navigational skills and the ability to endure up to 12 hours 'in the field', hence the recommended equipment.

There is a choice of route: The 'Terry Lynn' long route is about 23 miles and over 4000 feet of climbing. The 'Eileen Lynn' short route is about 18 miles and over 3000 feet of climbing. On the day of the event you will receive a route card and a photocopy map giving details of the route.

YOU WILL REQUIRE: O/S OUTDOOR LEISURE MAP 16 OR LANDRANGER MAP 80

Checkpoints on the route must be visited before the closing time shown on the route card. Manned checkpoints can provide first aid; one or more will provide refreshments. Participants completing the event between 0800hrs and 2000hrs will be awarded, upon production of a completed route card, a certificate and souvenir.
